

SCUOLA
NORMALE
SUPERIORE

ANNOUNCEMENT OF PUBLIC SELECTION FOR N° 1 GRANT FOR RESEARCH
(Italian law 30 December 2010, n.240, art.22)

Description

The Scuola Normale Superiore announces a selection, based on work to date, for a research contract named " *Infrared and sub-mm observations of high redshift galaxies* " as part of the research project UE H2020 " *The Interstellar Medium of High Redshift Galaxies* ", Acronym " *INTERSTELLAR* ", Grant Agreement Number 740120.

The successful candidate is expected to perform observational work in the infrared and sub-mm bands to study the formation and evolution of early galactic systems with particular emphasis on their interstellar medium. She/he is also expected to interpret the data using results from available theoretical models.

Scientific supervisor: prof. Andrea Ferrara

Duration of the contract: 3 years, with possible renewal for 2 additional years related to the five-year duration of the project (estimated starting: March 2018)

Gross annual remuneration, inclusive of all taxes: € 50.000,00 (corresponding approximately to a monthly net salary of € 3.000,00)

Application deadline: the application must be registered online by 23.59 (Italian time) of November, 30th 2017.

Applications received and registered online after the deadline, for reasons not attributable to the Scuola, will not be admitted to the selection.

Information about the selection procedure can be found below. Candidates are invited to read the official announcement published on the website of the Scuola Normale Superiore, at the following URL: <https://www.sns.it/bando/assegno-di-ricerca-denominato-%E2%80%9CConservazioni-infrarosse-e-sub-millimetriche-di-galassie-ad-alto-redshift%E2%80%9D-nell%E2%80%99ambito-del> and to follow exclusively its detailed instructions should they decide to apply.

Requisites

Applications are invited from candidates who have completed a PhD in Physics or Astrophysics, or who will complete it by the effective date of the contract or, in any case, by March 1st 2018.

Candidates who have completed the aforementioned degree abroad (or who will complete it by March 1st 2018) may also apply, if that degree is recognized as equivalent to the corresponding Italian degree.

Additional competence relevant for the selection of the researcher: knowledge of the English language.

How to apply

Candidates with all the aforementioned requisites who wish to participate in the selection process must submit their application using exclusively the online procedure (SerSe) available on the Scuola's website at <https://serse.sns.it/en/>. No other submission method will be accepted.

At first candidates shall register themselves in SerSe and then, once received a confirmation email to the email address indicated by them, they shall select on the homepage the specific call they are interested to. Candidates having already registered themselves in SerSe shall use the same access credentials to enter in the online procedure and submit their application.

The email address indicated by candidates during the online registration is the official means of communication relating to this selection. Any change must be communicated promptly to the email address job.opportunities@sns.it.

The online application must include also the following documents:

- a) the scanned copy of a valid identification document (mandatory);
- b) a curriculum vitae containing a detailed description of the studies and professional experience (mandatory);
- c) the publications, including also the PhD thesis, and any other document that the candidate believes may be useful to the evaluation of her/his application (if the publications are in English, French, German or Spanish, they can be presented in the original; otherwise, they must be accompanied by a translation in one of the above languages, with authenticated translation);
- d) a list of the submitted publications (mandatory).

In the online application, candidates may also indicate up to two experts in the field of research, to whom the Scuola Normale will ask to send a letter of reference to be received within 4 days following the application deadline.

In order to submit the documents listed above, candidates can choose during the online procedure one of the following options:

- direct upload: the documents are uploaded as attachments during the procedure for online submission of application (PDF format is recommended);
- external link download: candidates indicate the specific URL where the documents are publicly available and can be downloaded free of charge.

Only if direct upload or external link download are not possible, exceptionally one or more publications can be provided extra online procedure, delivering them directly or by mail or courier to the following address: Ufficio Protocollo of the Scuola Normale Superiore, Via del Castelletto, n. 11, 56126 Pisa (Italy). Please consider that the documents provided extra online procedure must arrive at the Ufficio Protocollo (*Documents Registry Office*) of the Scuola Normale by the deadline; documents which will arrive after the deadline will not be considered even though the postmark shows an earlier date.

After the online application has been received and registered, it will not be possible for candidates to change or integrate it with further documents.

In case of problems in registering the online application, for administrative information or questions, candidates can write an email to job.opportunities@sns.it or call the phone numbers (0039) 050/509549 and (0039) 050/509723.

The full announcement can be found on the Scuola Normale Superiore website at <https://www.sns.it/bando/assegno-di-ricerca-denominato-%E2%80%99Cosservazioni-infrarosse-e-sub-millimetriche-di-galassie-ad-alto-redshift%E2%80%9D-nell%E2%80%99ambito-del>
